Teachers - Make a copy of this activity first by clicking on the image below.

Ensure Read&Write is open- if not, click the purple puzzle piece icon.

Open the close reading activity assigned by your teacher.

The first part of the activity is to use the text to speech features.

Place your cursor at the start of the text and press play ▶

The text will be read aloud. Use the pause and stop features when finished.

[Read&Write Close Reading: Facts about Scotland](#) 
Totally fabulous facts about Scotland!

Scotland is a country in Europe and is part of the island of Great Britain (Europe's largest island) alongside England, Wales and Northern Ireland.

This lush beautiful country is bursting with green spaces, lush forests, towering mountains and vast lochs.

With so many habitats, there's plenty of fascinating wildlife to see in Scotland. You'll find river dwellers such as otters, salmon and trout and red squirrels and birds.

Many animal species are protected in Scotland and there are two National Parks - the Cairngorms National Park and Loch Lomond & The Trossachs National Park - as well as numerous beautiful nature reserves that have been set up to protect the land and the wildlife that

Go Further

Now we are going to practice our learning from previous activities!

Find the key words within your text and use the highlighters  on the toolbar to highlight them.

Use the dictionary  to find out the definition of the words selected.

Show your understanding of the text with answering some questions. Remember you can listen back to the passage using the text to speech function.

Independence

Learning for All

Try This

Teachers- Make a copy of this activity first by clicking the image below.

Ensure Read&Write is open- if not, click the purple piece icon.

Open the activity on Google Docs assigned by your teacher.

We are going to create word banks using Read&Write.

Your teacher will have a list of words they will ask you to use.

Add your word to the first box.

<u>Word</u>	<u>Definition</u>
Learning	Noun: the cognitive process of acquiring skill or knowledge; "the child's acquisition of language"
<u>Visual</u>	<u>Sentence using Word</u>
	I like learning about Read&Write.

Go Further

Next Steps:

Use the dictionary  feature to add the meaning of the word in the second box. Click the play button to hear the definition being read aloud first.

Use the picture dictionary  to add a visual image of your word, remember to click on the image and drag and drop it over onto your document.

Lastly use the predictor  or talk and type  tool to create a sentence using your word. Click on the play button to hear your sentence being read aloud.

Learning for All

Try This

Open up a Google Docs, you are going to do an activity researching a country of your choice.

Once you have chosen your country and typed it on the Doc use the Web

Search feature

You will see a new Google search tab appear with lots of information about your chosen country.

Use the predictor tool  to type out some information or interesting facts you have found out

Try the talk and type tool  to dictate your work into the microphone of your chromebook, watch as the words appear as you speak.

Go Further

In the settings  click on the three dots at the end of the toolbar. Then click on settings/options.

In the first section under speech, scroll to the bottom of the page and next to translator, select the language of the country you have chosen.

Now open up the translator  and click on some words within your document, click on the play button to hear the English words translated into your chosen language.
